Here's the map they sent Jan 25th. Checked in today with Mario in Clerk's office. Still not done/no concrete deadline proffered. CD5 and CD8 council members are out of date. Technically, it's out of date in other ways (doesn't show new BIDs that started in 2016 - I think there are about four.) But since our survey/report uses 2014 data, the map is otherwise current for our purposes.

If the Clerk's office can't get this done in a week or so, is this something you can work with?

Hello.

Did we ever get the updated map of all the BIDs? If so, Can you please send a hard copy to me, Imudiase of DWP and Tara Devine (electronic copy)? She is putting together the state of the BIDs report.

Thank you.
